Principal's Report

As the year draws to a close it is rewarding to reflect
Upon our many achievements and not be circumspect
In acknowledging contributions from people far and wide
Who make our school a better place: in classrooms and outside

The students care for each other and strive to do their best
Demonstrating Dowerin Virtues even when they're stressed!
The teachers and assistants help our students to endeavour
Great work is always shown in the fortnightly newsletter

Although I had a long holiday and Mrs Hogan came
We still all worked together to make progress our aim
From classrooms to sport events, excursions near and far
Lots of opportunities for everyone to star

Our community is supportive, I know you will agree
The Board, Shire, businesses, and the P & C!
They've guided school direction and improved our grounds
Helped us with fund raising and done recycling rounds.

This year our IPS journey has been very beneficial
The evidence shows that we've been successful
Our journey must continue to be the best we can
Never let us stop, keep improving that's the plan

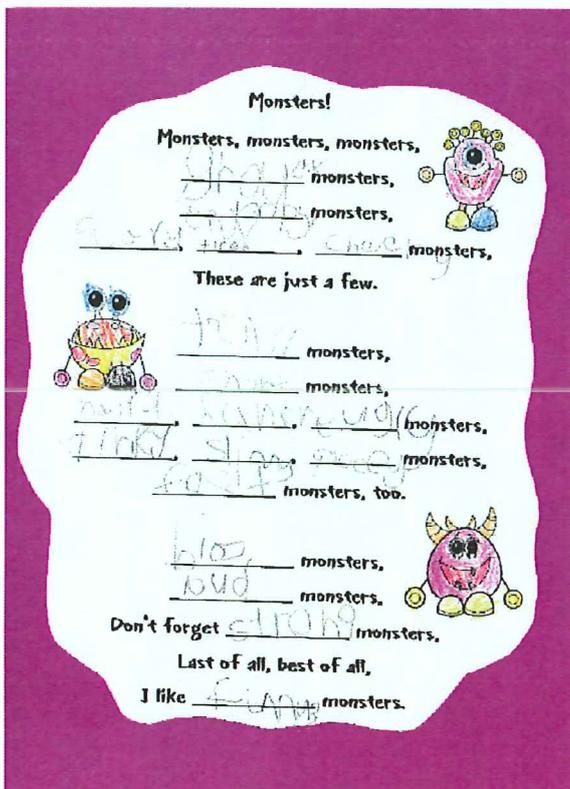

Thank you one and all who've made us who we are
This has been a terrific year, maybe the best by far!

Barbara Garner
Principal

Out and about...

Year 1/2 Alliteration Poems

Jordan' s jogging, eating jellybeans and jumps on jellyfish! By Jessica Holberton

Tyson times tooting tigers trailing for terrific treasure. By Raquel Slater

Mollie makes Max muffins in March and May. By Riley Hagboom

Hannah's hideous hat had hippopotamus horns. By Cody Lee

Raquel rides racing cars round and round! By Koby Dix

Jessica jumps on jelly while joking with Jordan in June on a jet. By Ainsley Crippen

Heath hit helicopters and he hopes he hears Holly and Hannah howling! By Samantha Maisey

Ainsley ate Alannah's apple in Australia. By Finn Metcalf

Marcus the magician makes a mermaid with magic. By Kailee McMorran

Kai can copy Mr Cranberrie's cool kids in Karen's house! By Hannah Crute

Samantha snacks on scrumptious sausages while sunbaking on sweet and sour sauce.

By Heath Proud

Koby kayaks with a kicking kangaroo and Kai. By Kai Wayne

Holly' s hiding happily in a hole on holidays. By Koby Smith

Brandon bit a big burger because it's breakfast. By Tina Dawe

Koby S' s kite knocks Koby D' s carousel castle. By Piper Allison

Riley rumbles writing in the rain. By Brandon Prior

Kailee cooked kangaroo cakes in the kitchen. By Tyson Rickwood

Jarrahn jams a jet into a jug of jelly. By Rylan Hoddy

Cody can call crows while cooking crabs. By Linkon Brown

Kaden clarifies kangaroos that look cool while calling kookaburras.

By Jordan Petchell

Tina' s turtle turned into a terrible tiger. By Thomas Robinson

Piper plays with Patience preparing poison pies paint. By Marcus Slater

India' s interesting igloo inspires integrity. By Holly Robinson

Thomas's tooting tiger's trumpet tickles tails and teeth. By India Quartermaine

Rylan rattles rubbish bins on the roof. By Mollie Ratcliffe

良のの机 4 共共いカ山 月の日まも良了

Haikus are a traditional Japanese poem consisting of 3 lines. The first line uses 5 syllables, the second 7 syllables and the third 5 syllables. It captures a moment in time, and our poems capture the personality of Room 4.

Can You match the poems to the people?

I HAVE SMALL BROWN EYES
THAT HELPS ME SEE THE FOOTY
I LIKE BERNIE VINCE

Zavier

I'M ENCOURAGING
I AM ENTHUSIASTIC
I AM THE SHY TWIN

*I like my PS3
My mum works in a library
Austin is my friend*

Courtney

*I am a tall male
I'm quite shy to new people
I joke a lot with friends*

Aimee

I AM VERY SMALL
I DON'T DO MY HOMEWORK MUCH
I LIKE READING

Kaelan

I LIVE ON A FARM
I AM REALLY SMALL AND FAST
I'M ALSO QUITE KIND

Austin

*Cheeky and playful
I want to be a princess
Imagination*

Shae-Lee

*Generous, happy
Is helpful to her Nan and...
Loves to do reading*

Anabel

I LOVE PLAYING GAMES
I LOVE VETS THAT SAVE DOGS
LIVES
I LOVE LOTS OF BOOKS

Beau

I HAVE FIVE SIBLINGS
IT IS ALMOST MY BIRTHDAY
I HAVE DARK BLUE EYES

Tanya

*I'm smart but loopy
I'm confident and crazy
I am very kind*

Patience

*I like rodeos
I like to ride big horses
I like poddy calves*

Aliah

I AM VERY SHORT
I AM HELPFUL AND PLAYFUL
I HAVE CURLY HAIR

Abigail

A NICE LOUD GIRL
I'M ARGUMENTATIVE
I LOVE SEA CREATURES

Matilda

Logan

*I like my glasses
I am so smiley and kind
I am so awesome*

Riley

*I like to be cool
I am also very fast
I am quite funny*

OUT AND ABOUT...

Year 7/8

Can you correctly match the subject with the clue on the right?

Clue	Subject
We have studied a range of sophisticated texts, The way we interpret meaning depends on context.	ICT
Solving algebra equations is a walk in the park, The Year 7/8s have it down to a fine art.	English
We learnt lots about chemistry when the Bunsen burner went kaboom! We have learnt about the effects of friction including what happens when things go Vroom!	Careers
We have investigated Ancient Egyptian history, Analysed evidence to solve the Narrabeen man's mystery.	Health
Running and sweating with Mr Hall Teaching us cricket, frisbee, soccer and basketball.	PE
We studied the horrific effects of using revolting drugs Learnt to stay fit and healthy so we don't catch infectious bugs.	HASS
As we listen, we think about our life choices and future careers Developing useful skills to use in years.	Science
Moving our fingers quickly over the key board, Publisher, Excel and Word have all been explored.	Math

SUGAR IN DRINKS

One of our favourite experiments this year has been exploring the composition of soft drinks and finding out how much sugar is in a variety of drinks we consume. Here is what we learnt;

Coca Cola (600mL) has 64g of sugar which equals 16 teaspoons.

Masters Strawberry Milk (600mL) has 57.7g of sugar which equals 14.5 teaspoons.

Sunshine Punch (250 mL) has 28g of sugar which equals 7 teaspoons.

DOWERIN DISTRICT HIGH SCHOOL

YEAR 9/10 - 2015

Back Row (L-R): Dylan Bonney, Ashton Hagboom, Lochlan Begley, Liam Geerdink.
Front Row (L-R): Atalia Pickering, Danika Cott, Aron Hall (Teacher), Shane Metcalf, Dion Cook.
Absent: Geoffrey Sussmayer.

MIDLAND PHOTOGRAPHERS www.midlandphotos.com.au

OUT AND ABOUT....

YEAR 9/10

The rapid tapping of the keyboard
Eagerly learning how to create Excel spread sheets
Determined not to admit defeat
So many formulas to be explored.

Careers; developing our skills to ensure we impress
Presenters, Vikki and Brenda, from Future Moves
Minding, Education, Health– so many different industries to choose
Guiding us along the pathway of success.

In PE we started with Vortex Gridiron
Soon moved on to Ultimate Frisbee
We had a go at Athletics...that was risky
Finished with Basketball; a favourite of mine.

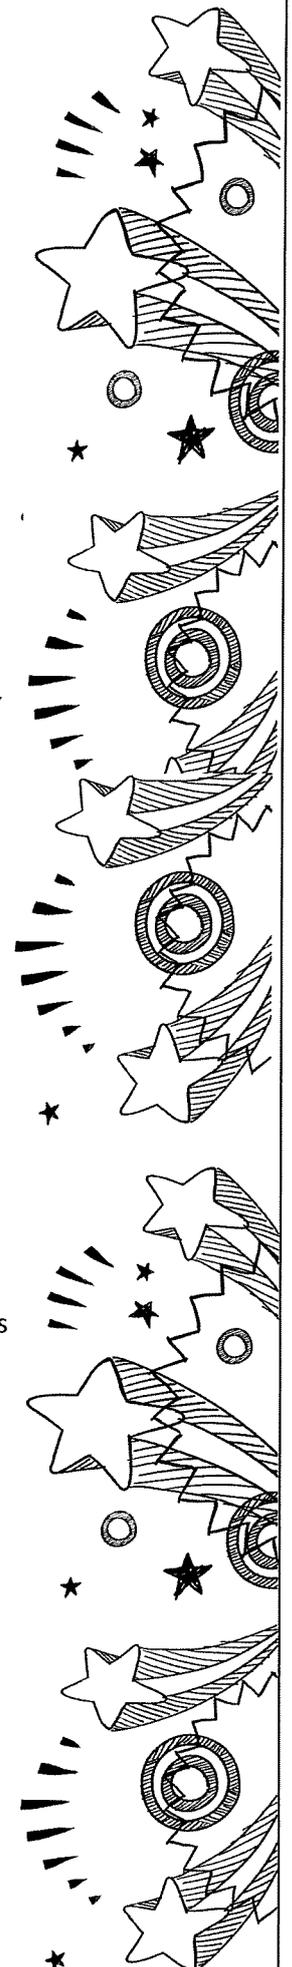

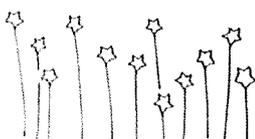

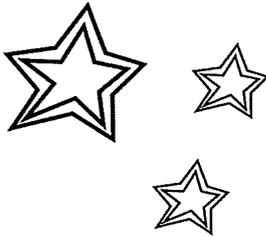

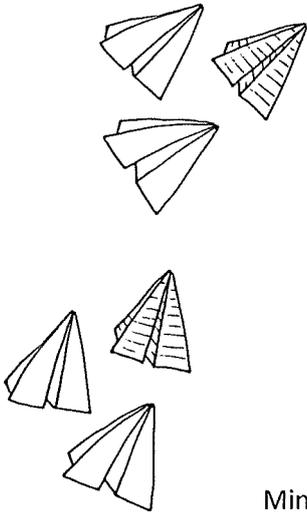

Important issues we need to learn about
Drugs and alcohol, the birds and the bees
No lifestyle diseases for me
Developing positive relationships without a doubt.

The industrialisation of machines left many asking were to go?
Mass movement across the world sparked colonies in new place.
The closing of remote Aboriginal communities left anger on many faces
wealth, health and happiness these are the factors wellbeing I know.

We have studied Shakespearean texts
Analysing language that portrays meaning
Using strategies to provoke a feeling
This is definitely our favourite subject.

I want to be a Scientist one day
That studies the Earth and sky,
Recording all the data which will answer what and why
Following experiment procedures carefully, is the only way.

CADETS

Dowerin DHS was one of only two new Cadet units to commence in WA in 2015. Emergency Services was chosen as the focus due to the local relevance and expertise. Volunteer emergency service personnel, who serve Dowerin and surrounding communities, provide vital support on many occasions through the Bush Fire Brigade, St Johns Ambulance and Rescue Brigades.

All our secondary students are given the opportunity to begin their association with the Emergency Services as Cadets. Our Cadets participate in interesting and challenging training that;

- Provides practical skills.
- Develops leadership, teamwork and initiative talents.
- Fosters qualities of community responsibility and service.
- Allows students to demonstrate our school virtues.

Our first Cadet camp was to the Avon Valley National Park/ Walyunga National Park. Read an extract from our adventures below. To access the whole experience go to our blog kidblog.org/class/cadets/posts

Are We There Yet? Day One

We left Dowerin on time, with a send-off fit for royalty... freshly cooked blueberry and banana muffins. Thanks Mrs Hagboom! With the camp theme song playing loudly in the background (Bad Blood-Taylor Swift), we made just outside of Toodyay before we were detoured due to a traffic accident. Thankfully, Mr Hall's local knowledge not only saved us time but also allowed us to take a very scenic route. Beautiful tall trees, dense green bushland and freshly seeded paddocks. Did we mention the hills....? It was a case of, everyone lean forward and pray! The good ol' community bus didn't let us down and we made it back onto Toodyay Road without a hitch.

As the sign posts indicated that we were nearly there, excitement begun to build...and so did the singing (we may need to bring Mrs Webb back for a crash course in hitting the high notes). Round the corner we come, straining to see where we will be camping, onto to gravel and then... Gate Locked! National Park closed due to controlled burning. Mr Hall 'calmly' explained that he had spoken to the Ranger the day before to confirm our booking and he had failed to mention this small detail. It gave us all a chance to stretch our legs and observe some bats or 'flying potatoes' nesting in a tree nearby #baddreamstonight.

Eventually as the cold and 'hangriness' set in, Ranger Ben showed up just in time. We were escorted to our camp site to begin the big cook off. Winners were Mr Hall and Shane with their gourmet steak dinners. Last place goes to everyone who was too hungry to heat up their dinner and ate it straight from the can.

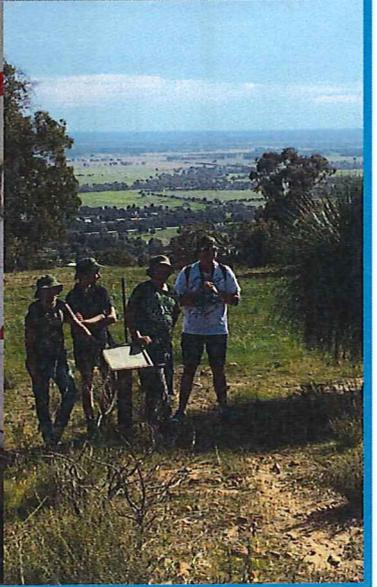

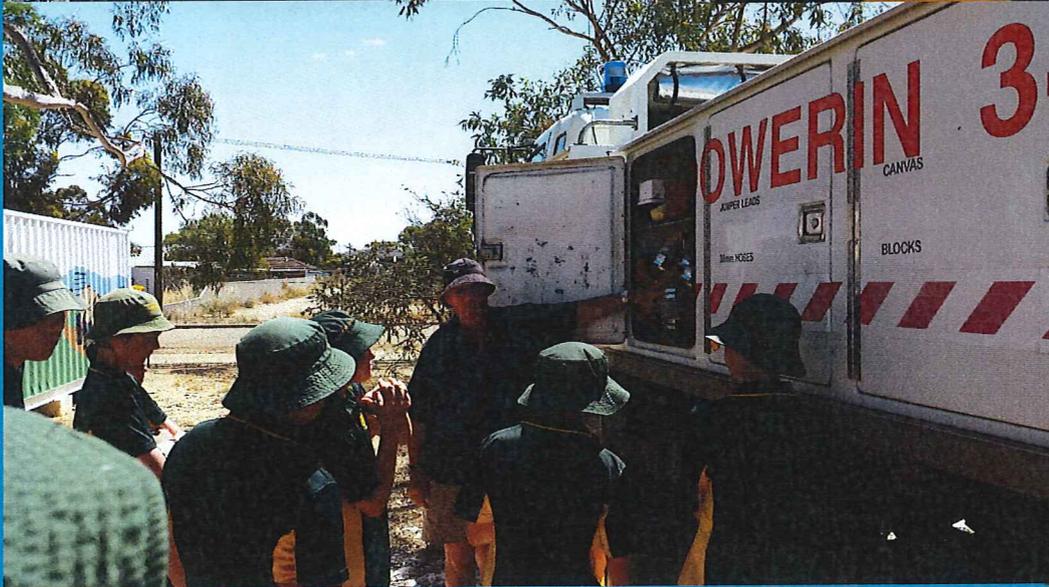

Three things we have learnt today:

1. Don't trust Government Departments.
2. Danika and Dion don't know how to boil water.
3. It gets dark really early...

Tomorrow Ranger Steph is meeting us at the camp site at 8.00 am to take us to Walyunga National Park (spelling to be confirmed upon arrival!) which is about an hour South West from where we are. We will hike and camp there tomorrow so the controlled burn off can occur at the Avon Valley National Park.

So that's it for today. I hope everyone is reading this from the warmth and comfort of their lounge room because 'she's cold tonight' and someone forgot to pack enough sleeping mats!

Food & Textiles

Parent Luncheon

Super Sandwiches and Salads in a jar.

Patchwork Cats

Year 7/8 challenged themselves cooking healthy delicious tasting food. Year 9/10 travelled the world preparing dishes from Indian to Japanese cuisine.

Year 7-10

Year 7/8 designed potholders, trivets, heat bags and pencils cases.

Year 9/10 designed animal shaped heat bags and these gorgeous patchwork cats.

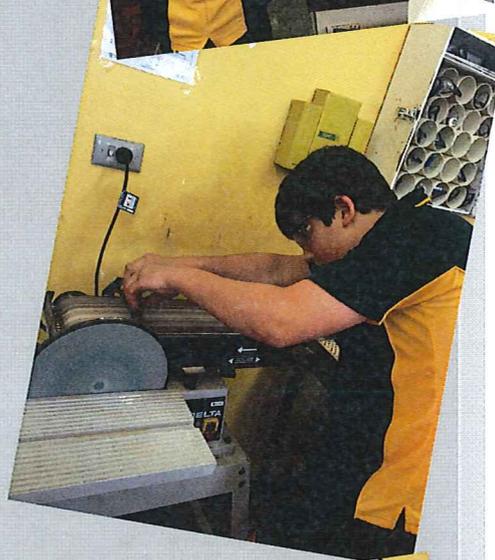

METALWORK

During first semester students advanced their skills in Metalwork. They developed their bending, cutting, welding, drilling and many other skills through a variety of projects. Projects have included a pencil holder man, tool tray, large dice, wind chimes and cake rake. We have had many challenges throughout the year, all of which we investigated, devised and solved using the skills we have learned.

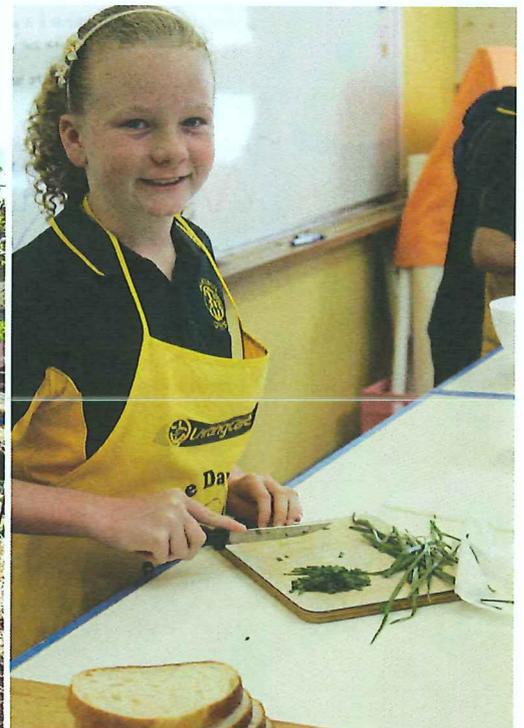

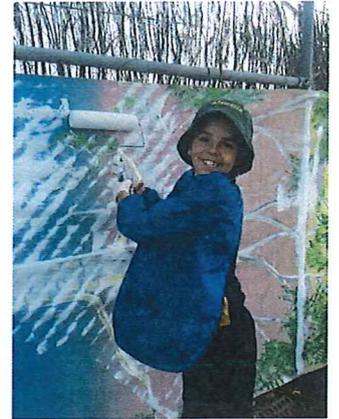

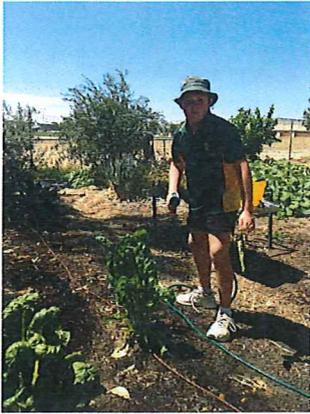

WOODWORK

Semester two was all about Woodwork. Both the 7/8 and 9/10 class have produced some awesome projects attempted and completed. Projects have included trucks, tractors, wood carvings, trinket boxes, totem poles and pencil holders. Everyone has enjoyed the year, including Mr Hall and we are looking forward to 2016 and more new challenges.

Dowerin Diggers

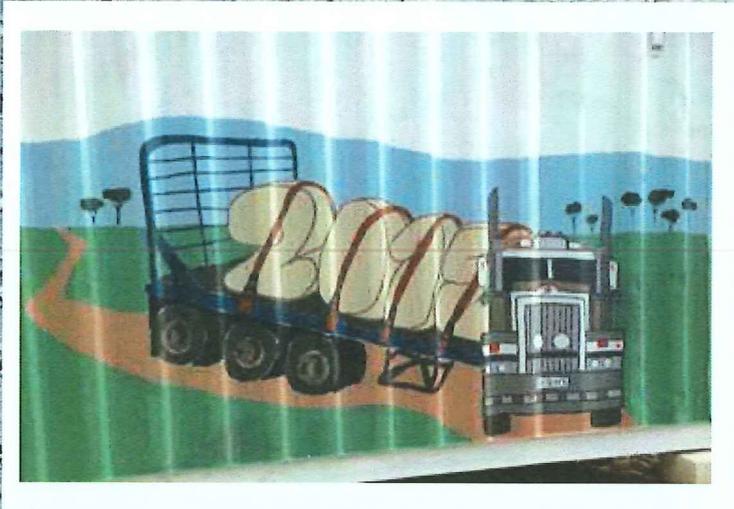

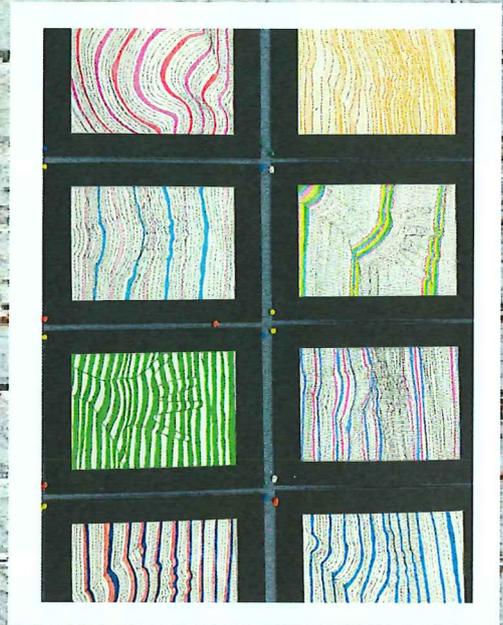

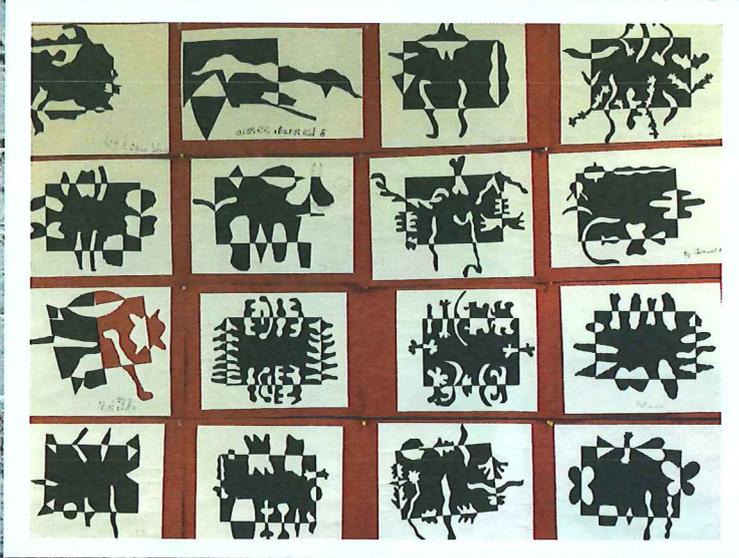

YEAR 5/6

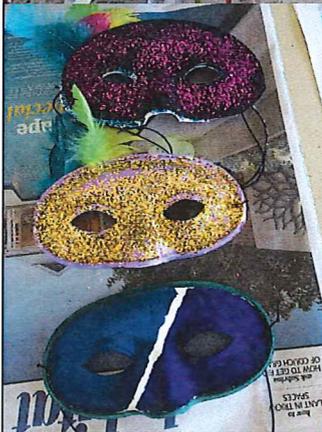

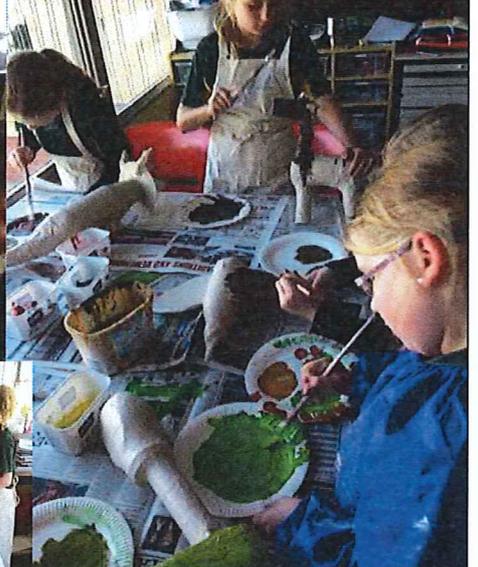

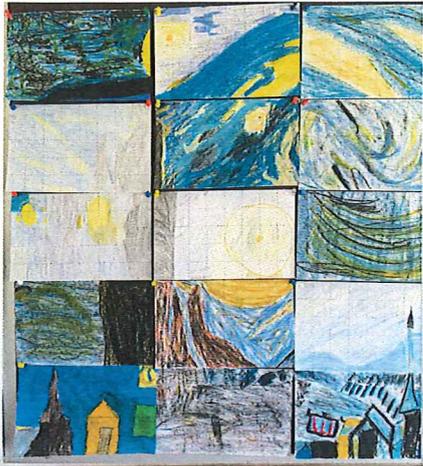

Growing Harvesting Preparing Sharing

Welcome to the Art Gallery

Here's a look at what we're being doing with Ms Howe this year.

TERM 3

Interschool Cross Country

Faction Athletics Carnival— Forrest
697pts def Stirling 568pts

Interschool Athletics Carnival

TERM 4

T20 Blast Cricket

STUDENT LEADERSHIP TEAM

This year the student leadership team has achieved several goals. Through fundraising efforts throughout the year, and with the support of the School Administration and the P & C we were able to purchase the new PA system in term two. It has already made a difference to our assemblies and carnivals, with the two speakers meaning that everyone in attendance can hear the students.

The student leaders had the opportunity to learn how to be better leaders by again attending the National Young Leaders Day in Perth. They had the opportunity to listen to presentations on leadership from guest speakers including: Natalie Medhurst, Lorin Nicholson, Josh Richards and Andy Griffiths. All of the student leaders gained insight from the day, in particular that "Influence can make you a good leader, what you do with it is important".

Our major project for the year was the Trick or Treat Trail and Halloween Disco. The event required considerable planning with the student leaders designing the registration forms, organising craft activities and decorations, creating games for the disco, organising the music for and putting up the decorations for the disco. The event was a massive success, with twenty houses and businesses registering for the trail and over fifty participants in the trick or treating and disco.

The student leadership team would like thank the school and the P&C for all of their support in all of their initiatives over the year.

DOWERIN DISTRICT HIGH SCHOOL STUDENT LEADERSHIP TEAM - 2015

Back Row (L-R): Joel Richards, Charlotte Waugh, Danika Cott, Ashton Hagboom, Dylan Bonney, Jarvis Pickering, Jayden Allsopp, Stephanie Hibbitt (Teacher).
Front Row (L-R): Abigail Proud, Ava Quartermaine, Barbara Garner (Principal), Chalice Proud, Alana Metcalf.

DOWERIN DISTRICT HIGH SCHOOL P & C Report 2015

It has been a very rewarding year and I am thankful to have had the opportunity to contribute in the role of President. The P & C provides a very important function in the school community—it promotes the interests of the school by bringing together parents, teachers and the community. It is important that we all work together to make Dowerin District High School an engaging learning environment for our students.

I would firstly like to congratulate the Dowerin District High School P&C Committee for all their hard work this year. Thank you to Mrs Emily Waugh (Vice President), Mrs Kate Petchell (Secretary), Mrs Joanne Holberton (Treasurer), Mrs Marcia Metcalf (Uniform Coordinator) and Mrs Anne-Maree Crute (Fundraising Coordinator). My job is made easy when I have the support of such determined, motivated and experienced committee members. Of course, the committee could not fulfil its role without the support of the parent body in general so to everyone who has helped in any way, small or large, I thank you for your contributions.

2015 has been a busy year for the P&C culminating in the completion of two major projects. The Nature Playground and Musical Garden were goals set early by the committee and thanks to a hard working secretary, Mrs Kate Petchell, we were able to set an achievable goal to construct and complete a playground. Kate worked tirelessly organising materials, coordinating workers and busy bees to ensure our goal could be met. Without her incredible motivation this venture could not have been accomplished so quickly. We sincerely thank the small but dedicated group of parents, that supported the busy bees each weekend. It was also a highlight that Maggie Dent visited the school and enjoyed her tour of the Nature Play area, complimenting the P & C on their efforts.

The Dowerin District High School P & C support the school and endeavours to assist the administration and teachers to deliver the best educational programs possible. Some ways in which we have supported the school this year include:

- ◆ Soldiering On Catering
- ◆ ANZAC Service Breakfast
- ◆ Musical Playground Construction
- ◆ Nature Playground Construction
- ◆ Halloween Supervised Trick and Treat Trail/Disco
- ◆ Interschool Swimming Carnival Lunches
- ◆ Camp/Excursion Assistance
- ◆ Science—Purchase of Dishwasher
- ◆ Assisted in purchase of Thermomix for Technology and Enterprise
- ◆ Leadership Conference

Another new initiative started in 2015 is the rejuvenation of second hand uniforms. Marcia Metcalf has worked hard to sort through and provide greater access to school uniforms and to prepare second hand uniforms. We will continue to provide you with more information in the new year in regard to the donation/purchase of second hand uniforms.

Some new initiatives for 2016 include new Interschool Sports Uniforms, Faction T-shirts and the discussion and implementation of new projects.

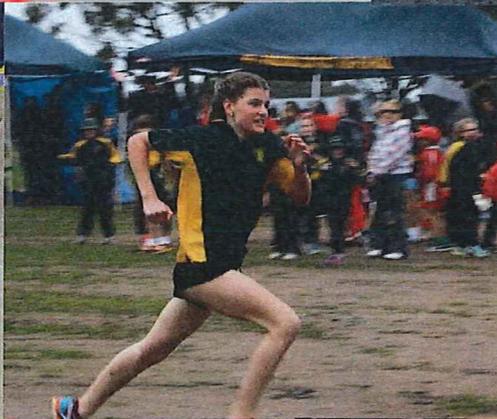

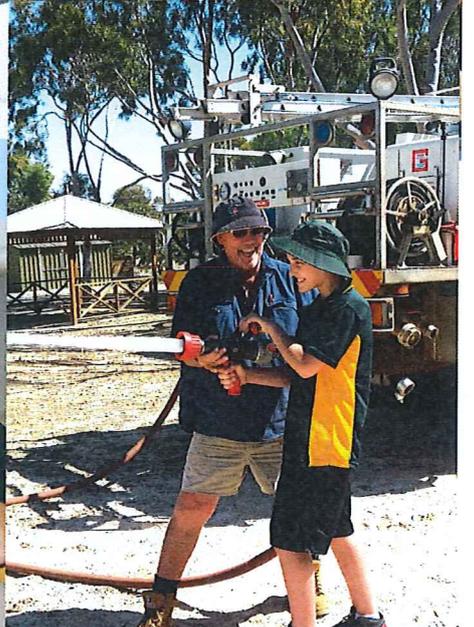

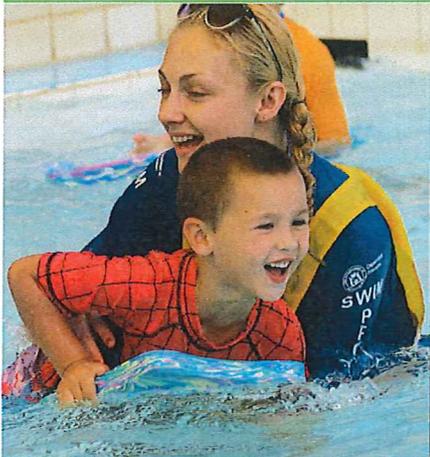

In conclusion, our success as a P & C is not only measured in the funds we raise but also in the other ways we contribute, and in the strong, positive, school community we build. This was demonstrated with the fantastic turn out for our Family Fun Day. A fabulous way to bring people together to celebrate our children.

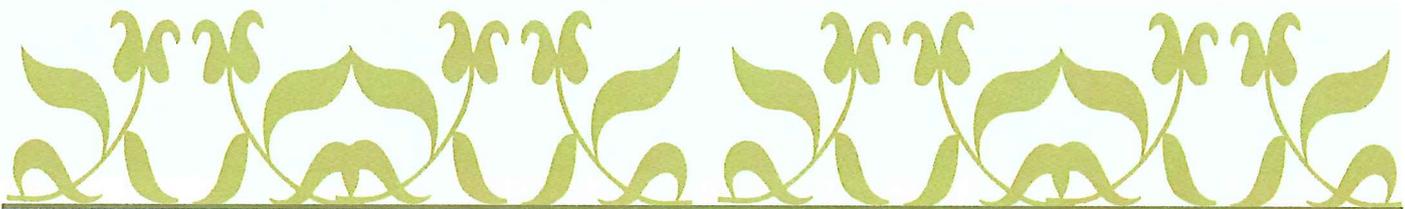

Everyone is very welcome at our meetings and we would love to see some more new faces in 2016.

Linda Quartermaine
P & C President

IN THE NEWS!

A collection of photographs that have starred on the front cover of the 2015 Newsletters.

CHAPLAIN CHATTER

This year seems to have gone by so quickly. We must all have been very busy!

With the School Review Team and the Early Childhood Educator Maggie Dent visiting our school it proved to be a very positive experience and real highlight for me. It was a wonderful way for staff, students and parents to showcase our school and all the great work you have all done and is admired by others.

Thank you for allowing me to share in your lives as your Chaplain. It has been a real privilege. Congratulations everyone on a great 2015.

Happy Holidays and please spare a thought for others around the world who do not have what you have in your lives. I will see you all next year.

Wishing you all light and love this Christmas,

Shirley Hagboom

Chaplain
