1. POLICY STATEMENT

- a) All schools have dress requirements for students which are developed by School Boards in consultation with students, their parents and staff of the school.
- b) Support and assistance are provided where there are difficulties in complying with school uniform and dress code requirements.
- c) The Principal may grant exemptions and sanctions as provided in Regulations 35 and 36 of the *School Education Act 1999* and according to processes approved by the School Council as part of the school's dress requirements.

Please note: The Department of Education Dress Requirements Policy states that denim items must be excluded from all school dress codes and uniforms except where a school has been granted a general exemption for its senior students.

2. BACKGROUND

2.1 RATIONALE

Dowerin DHS dress requirements are tangible evidence of the standards expected of students. The dress requirements play an important role in promoting a positive image of the school and creating a sense of identity among students.

The benefits of dress requirements include: promoting safety of students through easier identification; keeping costs of clothing within reasonable limits for parents; and assisting students to learn the importance of appropriate presentation. Being suitably groomed is part of the process by which students learn to engage with employers and the community.

2.2 DEFINITIONS

DRESS REQUIREMENTS

Document providing standards of what is acceptable in relation to the clothing worn by students at the school including headwear, footwear and aspects of personal presentation.

NON COMPLIANCE WITH DRESS REQUIREMENTS

When students wear clothing other than school uniform to school without prior arrangement with the principal or deputy principal.

SCHOOL DRESS ADVISORY PANEL

Sub-group of the school board, including one school staff member, with the specific role of providing assistance and support in relation to compliance with the dress requirements.

3. PROCEDURES

3.1 DRESS REQUIREMENTS

Dress requirements will be determined by the School Board; that is, the standard of what is acceptable clothing to be worn by students at the school including headwear and footwear, and all other personal presentation of students. Consideration will be given to clothing that is affordable, comfortable, made from easy care fabric, appropriate for activity, and suitable for all body shapes.

The School Board will also determine details of procedures for managing:

- exemptions from the dress requirements;
- assistance with compliance, including convening school dress advisory panels;
- sanctions for non-compliance; and
