## CLEANERS DAY

Monday, June 15th was School Cleaners Day, where we recognised and celebrated our cleaners for the incredible work they have done to keep our schools safe and clean throughout the COVID-19 pandemic. Our terrific cleaners Sharlene, Sue and Kristy joined us for morning tea the 5/6 class made cards to say thanks and the Year 1/2s left a nice surprise in the classroom.

## DEMOLITION COMPLETE—ITEMS FOR TENDER

Students and staff have really enjoyed watching the action in the quadrangle over the last week (and there has been plenty!). Dismantling of the old undercover area, the shade shelter frame, basketball ring and netball rings are complete. The asphalt has been cut and cleared in readiness for plumbing work and the pouring of the footings this week. If you would like to tender for the items that have been dismantled, check out the pictures on the right to give you an idea of the original structures and contact the school for more detailed information (9631 1030). Items are offered on an 'as is, where is' basis and must be removed from the school site within seven days of being notified of successful tender.

## THANK YOU!

- ♦ To CORE Engineering who were very considerate of classes when they needed to make LOTS of noise during demolition/dismantling of the undercover area.
- ♦ To CORE Engineering who took time away from their paid job to speak the secondary students about their career pathways.

## National Reconciliation Week

May 27th to June 3rd

National Reconciliation Week is a time to learn about shared histories, cultures and achievements. The dates are important and are always the same. May 27th is the date of the successful 1967 referendum that resulted in changes being made to the Australian constitution. June 3rd is the date of the Mabo decision in the High Court of Australia which recognised that Aboriginal and Torres Strait Islander people have rights to the land.

This year Gregson, Kalicia, Lataya and Nic organised students and staff at the school to make a hand imprint on a large piece of calico representing the Aboriginal flag. The final result looks great and will be hung at the school.
