

## 100 DAYS SMARTER

The Pre-Primary and Year One students were so excited to celebrate the 100th day of school. We all got into the theme and dressed up as if we were 100 years old and completed some super fun activities such as creating a 100 day monster, crown, 100 fitness exercises, and we even counted to 100 together! Though the highlight was the aging app when the kids got to see what they would look like if they were 100!
