

## YEAR 3/4 CLASSROOM CAPERS

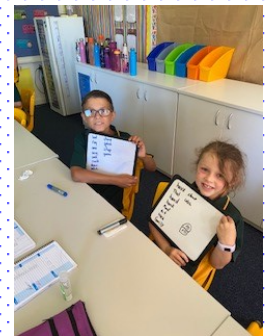

We have made a fantastic start to the year. Here are a few snaps to show you what we have been doing.

Our reading strategy focus this week is "Visualising" here we are drawing the character Red Ned a horse from our class novel. We are visualizing how he looks after reading the text.

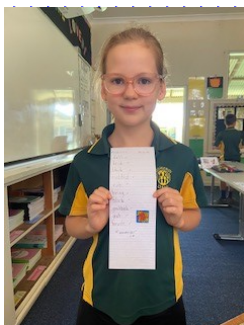

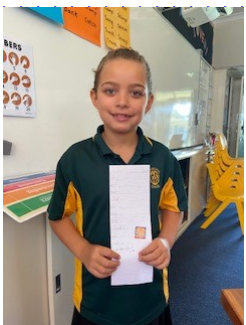

In writing we have been focusing on our  
'SIZZLING STARTS'  
Here is our amazing work on display!

Here we are partner testing our spelling words using whiteboards.

Some SENSATIONAL Spelling test results below!!

We learnt a new Place Value game. Here we are challenging ourselves!!

Each week we focus on an affirmation, so far we have looked at  
'RESPECT', 'Speaking to others the way you wish to be spoken to'  
and 'If you never try, you'll never know!'

## YEAR 3/4 CLASSROOM CAPERS

We have been lucky enough to participate in swimming lessons. What a refreshing way to enjoy the hot days! Thank you to the fantastic swimming instructors for teaching us!

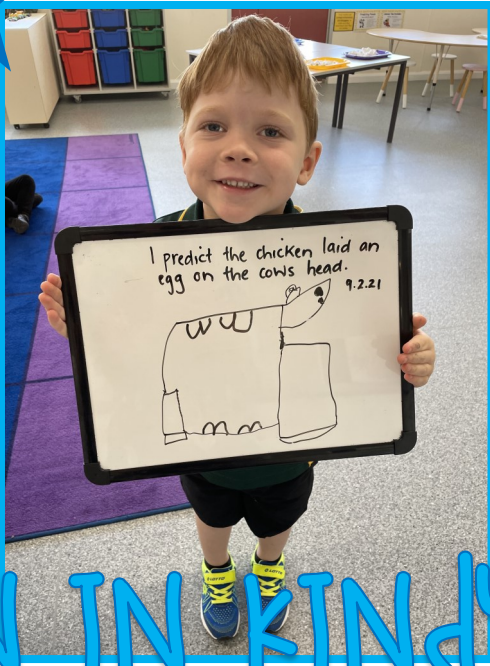

Our “VISUALISING” reading strategy came to life with our final pieces being displayed in the classroom. So proud of each student for their efforts!!

We read a passage about a ‘Nogard’. After reading the text we then had to draw the Nogard using the information from the text! I’m sure you will agree they look **SENSATIRAL**

## FUN IN KINDY/PRE-PRIMARY
